

Varsity Girls Basketball

Repeat Ring Chasers

This season the varsity girls conquered many challenges... from developing better team working skills to playing bigger public school to discipling bad attitudes. The girls pulled through and only got stronger from these issues. Needless to say, there was a lot of pressure on Coach Halt and his players to capture this back-to-back feat, but like eagles, they soared through the storm and came out on top once again.

Taking It Up Strong.

Sophomore Jaycie Johnson takes it strong to the basket. Jaycie's inside presence made it difficult for teams to guard her.

Swish. Senior Carson Justice nails a clutch three point basket against Thomas Sumter in the championship game. Her phenomenal ballhandling skills and scoring range made her a offensive weapon for the Lady Eagles.

Time to Celebrate! The Richard Winn girls' basketball team celebrates as the buzzer goes off to seal the victory and capture their second straight state title. The emotions of their accomplishments are evident in this picture.

Huddle Up. The Lady Eagles huddle up as Coach Halt gives them the final pre-game pep talk. Their success was often based on how well they listened and followed his game plan against each new opponent.

Swish! Jessie Stidham knocks down the three pointer to put the Eagles ahead. Jessie worked really hard over the summer break and improved her game greatly to help the Lady Eagles win their second straight title.
