

Varsity Boys Basketball

Nothing but Net

The varsity boys basketball team worked hard during each and every practice and game. They had winning streaks and some tough losses, but while the scoreboard reflected the game winner, this team played as winners every outing. Scores don't matter; giving it their all and leaving it all out on the court is what matters. This team had determination and heart!

Eye of an Eagle. Rob O'Connor shoots a jump shot over an Oakbrook defender. A sophomore, Rob focused on improving his individual skills throughout the season.

Flying High. Patrick Pope goes vertical under heavy pressure to take the ball strong to the hole. Patrick was the team's leading scorer this season.

Make It Rain. Cameron Cooper, known for being a good shooter, proves it right again. Cameron was a constant offensive threat from three point range.

Work Hard, Play Hard. John Coleman backs up into the post to get a better position before taking the jump shot. John's speed, hustle, and aggressive style of play earned him lots of playing time.

Jumpin' Joe. Joseph Goldin jumps higher than the opponent to win the jump ball. Joseph's height was very beneficial during jump balls and in the post.
