

Middle School Softball

Diamond Dreams

Though the middle school girls softball team this year played only six games, they still demonstrated what it was like to persevere and come out with a winning season altogether. They practiced relentlessly with all their effort and always gave it everything they had.

1. Emy Russell slides safely into home plate. 2. Sally Costenbader winds up and pitches the ball down the pipe. 3. Hannah Smith slides into second base. 4. Caleigh Caldwell awaits the pitch and prepares to hit the ball. 7. Kimmy Albert fields a grounder at her shortstop position.
