

Junior Varsity Baseball

Rounding the Bases

The JV baseball team improved tremendously in many aspects of the game. With many working in the weight room in the off season and with strong leadership, the team enjoyed a winning season. The players blended well with their new coach, Paul Brigman.

1. Coker Gilbert throws his intimidating pitch as one can tell by the look on his face. 2. Jonathan Lewis swings fiercely as he sees his pitch. 3. Mitchell Gibbons pitches the ball to the opposing batter. 4. Gunnar Hensley slides safely into third base. 5. Jacob Steele makes contact and follows the ball with his eyes to see if it is fair or foul. 6. Ben Lang-Spittler gets in his ready position to hurl the pitch. 7. Hunter Glisson hurriedly fields the ball and throws the runner out.
