

Graduation

Ending? This Is Only the Beginning...

Hats Off! The new graduates proudly toss their caps up into the air after the ceremony. Along with their excitement of graduating, they know that many adventures and fun times lie ahead of them in their future.

Benedicat Nos Deus. As the new graduates and the audience sing the final Latin words (God Bless Us) of the Alma Mater, they raise their right hands up and join the other alumni present in toasting the school.
