

## Anna Cooke

From the moment I saw you, I said you were exquisite. You are that and so much more. From watching Disney movies together to scouring Goodwills, in all those late night & middays, in all those anytime moments we're together, you make this world far funnier and brighter and so much better to live in. With love, we wish you luck.

## Timothy Austin Knox

Our greatest accomplishment.  
You make us so proud.

Love,  
Mom and Dad
