

# Sarah Grier Thompson

Sarah Grier, reflecting on your years at RWA, we are so very proud of all your accomplishments. You have made friendships that will last a lifetime. As hard as it is to close this chapter, it is now time for you to move forward where you will have many more goals ahead. We celebrate your years here at RWA and forward to Presbyterian College. It is bright indeed. We are so proud of you and love you very much! In all you do, remember Philippians 4:13.

- With all our love, Mama and Marvin
