*Party Time!* Elena Frick, Kyle Smith, Emily O'Connor, Samantha Rabon, and Juliet Pineda enjoy a tasty snack in the library. Any excuse to change up the normal routine is always fun for the kids.

*Young Bucks.* The fifth grade class takes time out of hunting for math answers to pose for a photo. The group was very excited for Camo Day.

*"Swing Your Partner!"* Colt Hatchell and Mikaela Miller enthusiastically perform the Virginia Reel at the annual Square Dance. These two had a fun time the entire night.

*Kids of the Future* Samantha Wilkes takes advantage of technology during a special class activity. Technology is becoming more and more relevant in the classroom as schools are becoming more aware of the benefits.
