*Attention, Please!* The fourth grade listens carefully to a guest speaker. Mr. Eric Cathcart taught the class all kinds of interesting facts about earth worms and the soil in which they live.

*Shh, We're Hunting!* Fourth grade students take time to snap a picture during Spirit Week. Camo Day is always popular among both girls and boys.

*Line Up!* Students line up in the hall to carry their long train of spirit links to the gym for the Homecoming pep rally. The cheerleaders use the spirit links to raise money for the squad, and the friendly competition between classes never fails to get the kids interested.

*Attention, Please!*

*Shh, We're Hunting!*
