

*Teamwork!* Several Eagle players take down a Falcon player to stop the play and rally the fans. This was the Eagles' first game and victory of the season.

*Tearing Through.* Junior John Coleman bulldozes his way through the GCA defense. Coleman always tried his best to carry the ball all the way to the end zone.

*Sprint!* Senior Conrad Sharpe sprints past the defenders to get to end zone. Sharpe always knew when to bust through the line to get the job done.

*Friday Night Lights.* The Eagles storm the field to take on their opponent. They were always hyped to be competing under those Friday night lights.
