

This One Time at State

The 2014 varsity football season was definitely one for the record books. The team started off the season strong and did not let up, no matter the stakes. One thing that set this season apart other than the phenomenal record was the family concept the team adopted. Written across the back of each team member's helmet was one simple word, *Family*. The family-like dynamic was clear throughout the entire team and season, making this an unforgettable year for all. The season peaked when the team managed to bring home a State Championship title scoring 50 points while holding the Bobcats to only 14.
