

# We're Number One!

*Raise Your Pom Poms!* Emily Keys spiritedly encourages the fans to cheer on the football players. It may have been her first year on the squad, but her hard work and positive attitude made it seem as though she had been cheering for years.

*Loud and Proud!* With hands and heads high, the cheerleaders shout encouragement for the varsity football team. The team continuously supported the boys.

*Go Eagles, Go!* Anna Connor displays a love for her Eagles during a Friday night game. With her passion for make-up and dancing, cheering was the perfect activity for her.

*Rockin' It!* The cheerleading squad enthusiastically dances to a half time routine prepared just for the championship game. Throughout the season, Ms. Trammell and her squad worked hard to represent RWA well with lots of energy and enthusiasm.

The cheerleaders huddle together to bond before going to cheer on the football. The group was constantly spending time together effectively improving their team.
