

Time to Dig It!

First year player Emma Castles hits the floor to dig for the ball. Emma was one of the five rookies who improved her volleyball skills throughout the season.

JV/MB Volleyball. Front Row (L-R): McKenzie Wilson, Jennifer Haney, Gracie Atkerson, Emy Russell, Sydney Boulware, Ainsley Martin, Emma Castles. Back Row: Riley Simpson, Caleigh Maxwell, Lauren Elder, Coach Rachel Peake, Grier Hensley, and Taylor Spires.

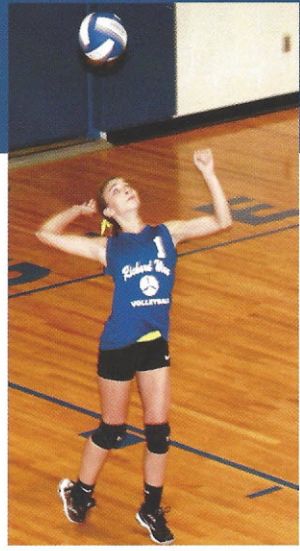

Emy and Riley tag-up as they await the serve to change positions. The team shakes hands with their opponents to start the victory celebration.

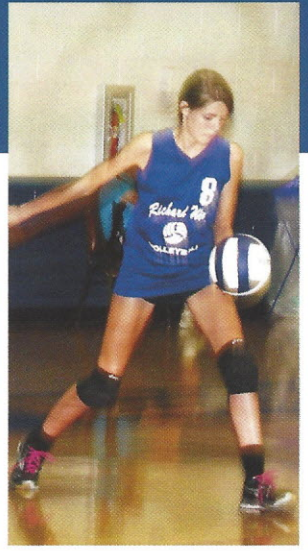

Veteran player Grier Hensley bumps the ball from the back row.

Taylor Spires subs in for teammate McKenzie Wilson.

Riley Simpson's overhand serve was often difficult for the opponents to return.

Veteran Lauren Elder follows through with her consistent underhand serve.

What made the end of the season better than the beginning?

"We finished the season 16-5, and we went to a really fun tournament. We also improved in lots of ways and became a close family."
- Ainsley Martin

"The end of the season was better because we all started working together and all came closer. We also found out that Coach Peake was pregnant with a baby girl!"
- Lauren Elder
