

Time to Take a Shot!

"Let's Go One-Oh!" Cooper Swearingen goes up for the lay up over the Anderson Christian boys. Cooper worked very hard in the off season, and showed on the court.

Power Over. Mitchell Gibbons jumps over the Anderson Christian players to take his shot. Mitchell was consistently able to overpower his opponent because of his aggressive play and vertical leap.

Breaking Barriers. Rob O'Connor breaks through the bundle of players to score the lay up. Rob never let an obstacle stand in his way of the goal.

Locked and Loaded! Cameron Cooper squares up to take a jump shot. He was very persistent with his shots and rarely missed, particularly from behind the 3-point arch.

He's Back! Hunter Gibbons rejoins the basketball team and uses his skills to score for the Eagles. He worked hard throughout the season, never backing down from a challenge.
