Zoomin' Full Speed Ahead. Sally Costenbader breaks Newberry's full court press. Sally improved as an all around player and came off the bench to contribute and gain some valuable playing time as a varsity rookie.

It's Mine. Senior co-captain Cassidy Branham grabs the rebound and holds it up over her head to protect it as her teammates make their way down court. Cassidy was a veteran team player whose hard work ethic, enthusiastic attitude, and love of the game were contagious.

Determination. Kimmy Albert tries to break the press as she dribbles left handed in the back court. Kimmy's speed and feisty defense earned her lots of playing time off the bench.

Dribble to Success. Calee Thigpen uses her ball handling skills against Northside. In her second year as a varsity player, Calee often came in the game to spark the outside shooting game and play intense defense.
