

*A Family Affair.* Brothers Charlie and Berry Bonds are featured soloists of "Silent Night." In addition to their vocal performance, all the students also learned and performed the words in sign language.

*We Three Kings.* Bennett, Charlie, and Joseph portray the wise men as they gather around Mary (Leila Bostrom) and the manger bed to present the baby Jesus with precious gifts. The young students always love dressing as biblical characters to re-enact the real reason for celebrating Christmas.

*Frosty, Not Olaf.* Twin sister Caroline Poole places Frosty's (AKA Michael Poole) stove top hat on his head so he can dance around. Michael's friendly and fun personality made him the perfect pick for this character!

*Christmas Is a Feeling.* Alumni parents join their children on stage for the traditional closing song, "Christmas Is a Feeling." Many of the parents sang this same song as students at RWA.

*Lean Your Ear This Way.* Jodi, Alexis, and Catherine Blair join in with their classmates as they preform "Jolly Ole' Saint Nicholas."
