

*Spice Girls.* Bailey, Addi, Leila, and Abby perform "Shake it Off." Their performance was outstanding, and it was fun to watch them enjoy being in the spotlight.

*Paw!* Ella Grace shows off her fierceness with her karate skills. These practical skills could serve her well in self-defense situations.

*Celebrity Judges.* While SGA president Matt Taylor acts as the emcee, the rest of the SGA officers serve as the "judges" for the event. They had nothing but praise for all the participants!

*Pop and Lock.* Anna Grace dances to "Lips are Moving" at the talent show. She drew the crowd into the very last second.

*Do, Ray, Me.* Juliet and Elena sing "Want You Back." They gave Cher Loyd a run for her money.

*Three's Company.* Emma does the vocal performance to Taylor Swift's "Blank Space" while friends Charlotte and Madison keep the beat with their hula-hoops. They got a great first time performance review by the judges and audience.
