

# The Time of Our Lives

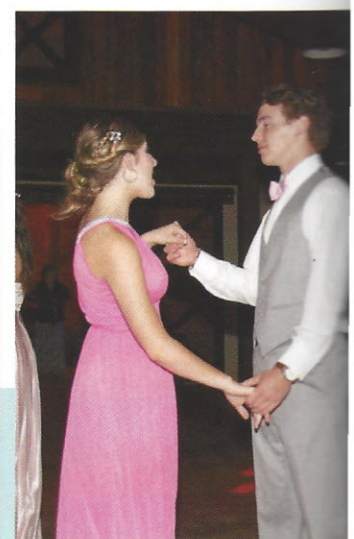

*To the Left!* Several seniors move to the beat of the "Cha Cha Slide." This classic line dance always gets even the most reluctant dancers moving.

*Gettin' Down!* Several of the senior girls take advantage of their last prom together by dancing the night away. This photo is only small proof of the endless dancing that took place on this legendary night.

*"Did You Get My Good Side?"* Juniors Gunnar Hensley and Hunter Glisson appear to be caught off guard as they take a break from all the dancing. This year was the duo's first prom, and they did not waste the opportunity to make memories with their classmates.

Prom servers Kennedy Elliott, Cali Swearingen, and Reed Elliott sport smiles as they await the arrival of the guests.

Webb Yongue and Grace Wilder enjoy their first prom as a couple.
