

*MIKEY Mouse* Jack Brannon, a 1st grader, gets the honor of dressing as everyone's favorite character - Mickey Mouse! The entire 1st-3rd grade program had a Disney theme and featured many of the characters and most popular songs from across the years, thanks to cartoonist and movie producer, the late Walt Disney.

*Jolly Holiday.* Third graders Brinson Baker and Drew Spires sing and act out their special parts as Mary and Bert of the *Mary Poppins* musical. Just as the movie was, and still is, a hit with young and old alike, their performance was sensational!

*Royal Sisters.* Ella Grace Harrison and Maggie McManus portray the ever-popular Anna and Elsa from *Frozen* fame. Of course, the program would not have been complete without the popular song "Do You Want to Build a Snowman?" and an appearance by Olaf, played by Miller Stuck.

*Disney Tour Guides* Second graders Serenity Shirle, Ava Fowler, Alivia Martin, and Emma Castles serve as tour guides to narrate the Disney program.

*"Where Is Love?"* Fourth grader Kitt Nicholson, as Oliver, sings the sweet solo melody. Kitt is just one of many musically gifted students in this group.
