From the time you were little, and you put on that first cowgirl hat, cowgirl boots, and kissed that first horse, we knew you were special. We knew this would not be a phase but a passion and a way of life. Somewhere behind the rider you've become, the hours of practice, the trainer that pushed you, the money, the miles, the sweat, the tears, the blood, the blisters, the ripped jeans, the lame horse, the crazy horse and everything in between... is a beautiful young lady that fell in love with the horse, the sport, and the rodeo life. Keep riding and giving thanks to the one that takes care of you and your horse. Always give God the glory!

We love you,
Mom, Dad, and Boyd
