

**Physics** Maggie Hughes and Anna Grace Martin participate in the forces of motion booth at Carowinds during the May field trip. The fifth grade learned about forces and then experienced them firsthand on all the rides.

**Hometown** The 10th grade class goes around town touring old historical sites. They pose at the ole brick church for a picture.

**Broadway** RWA students take a in house field trip to watch My Fathers War. This Production was about a World War II veteran telling his story.

**Boat rides?** The 5th grade class enjoyed their trip to the everglades to learn about the unique ecosystem. For many it was their first everglade and boat experience.

**Smiles** Fifth graders travel to the state house to learn about SC lawmakers. They stop and posed for a picture on the steps after a long day of learning and meeting important government officials.

**Everglades** 10th grader Cameron Medlin smiles for a picture while holding a python during one of the hands-on sessions in Florida.

**State House** Landon Muller and Anna Grace pay close attention to their guide, Governor Nikki Haley during the 5th grade trip to the SC State House.
