

Over the soon to be nine years at RW, I have had marvelous experiences in the academic area, learning in the classroom and on field trips, and in other areas as well. I like the way Richard Winn is small and is like a family, everyone knows each other; I like how the teachers know you and care about your education. My most favorite part of Richard Winn is the Christian atmosphere. Over the past years Richard Winn has grown to be a part of me, I cannot imagine myself going anywhere else.

Greatness "In life you'll realize that there is a purpose for everyone you meet. Some are there to test you, some will use you, some will teach you, and some will bring out the best in you."
