

Coker Gilbert

Our Dear Coker,

We knew this day would come; we just had no idea how quickly. You have been a magnificent blessing. You are strong, yet gentle; you are loving and loved; you have faith and are faithful. You are a leader who has set goals for yourself as well as expectations for Peyton, Ryleigh, and Kate. You have made our lives brighter and richer while giving love a more completed definition. We have been blessed by you and wish nothing but blessings for you as you continue to grow and become the man we have all envisioned. Our hearts are full knowing you will do great things and do them well. Follow your dreams; continue to be a faithful servant of Our Father in heaven. Remember and rely on these two verses: "Let your light shine before men that they may see your good works and glorify your Father which is in heaven." Matthew 5:16 and "I can do all things through Christ which Strengthens me." Philippians 4:13

4:13

Love to you always,

Mon, Dad, Peyton, Brittany and Zack, Ryleigh and Kate, Ry, Nana and Monie
