

SUPERINTENDENT CECIL W. BOWERS

Superintendent's Message  
To The Senior Class of 1960

It has been a real pleasure to have you in high school these past years. Many of you have been valuable students to your class and school, and we all feel justly proud of these contributions. It is with mixed emotions that I write this message to you, I am sad because I am going to miss everyone of you, and I am glad because I feel that you are capable of going out into the world and doing a creditable job in whatever you undertake. I would like for each of you to know I am counting on you to do your very best at all times.

I wish for you a happy and prosperous life.
