

# F.T.A.

"A teacher lives on and on. Through all the generations she shall teach."

Our aim has been to learn something of the requirements of the teaching profession with emphasis on character, scholarship, personality and teacher ethics.

We have tried to make a contribution to the school, not only by upholding its high ideals, but by actively sponsoring American Education Week, Alcohol Education Week, and Spiritual Enrichment Week.

We conferred a singular honor on our sponsor, Miss Kathleen Lemmon, by naming our club for her.
