

This year there are sixty-five boys in the F. F. A. Chapter. There are many activities that the boys participated in during the year. Each summer two members represent their chapter at the state F. F. A. Convention held at Clemson.

This past year, two boys from the chapter attended the national convention in Kansas City, Mo. Every summer the boys attend summer camp at Cherry Grove Beach.

They contributed to the F. F. A. Scholarship Loan Fund, which assists members of former members in preparing themselves for a career in the field of agriculture.

The members operate a potato curing house, two sweet potato, and one tomato hotbed. Tomato and potato plants are sold at the school and the profit is used to finance the chapter activities.

Each year the boys select two girls to represent their chapter in the Federation Sweetheart contest. Carolyn Beam will represent the Federation in the state contest this summer.

F. F. A. SWEETHEARTS: Diane Stokes
Carolyn Beam

DISTRICT 5 SWEETHEART: Carolyn Beam
