Class History

Graduation . . . the climax of five wonderful high school years.

Members of the class of '62 entered the eighth grade at various schools in Fairfield County - Blackstock, Greenbrier, Jenkinsville, Monticello, Mount Zion, and Ridgeway. Little did we dream then that we would unite at Winnsboro High School in our Junior year.

As eighth graders, we were excited, yet somewhat afraid, of the "newness" of high school life. Eighth grade initiation was a time we'll never forget. It made us wonder whether we'd EVER be as grown-up as the Seniors.

In the Ninth Grade, our fears were gone; we really belonged. In fact, we felt quite superior to the lowly sub-freshmen.

Our Sophomore Year meant more interest in extracurricular activities. Growing up no longer seemed an impossible goal.

Our Junior Year was one of the most memorable of our lives. We came to our new alma mater and united with classmates who have become close friends. We helped to organize various clubs and our two publications, *THE HALCYON* and "Consolidated Comments." We worked hard to carry out our Junior-Senior theme, "City of Lights," and to present the Junior Class Play, "Aunt Abby Answers An Ad."

This, our Senior Year, has been equally memorable. Our play, "If a Man Answers," was a successful presentation. This spring we were entertained by the Juniors at the Junior-Senior Prom, "The Peppermint Lounge." We are proud that one of our Senior sponsors, Miss Kathleen Lemmon, wrote the Winnsboro High Alma Mater during our Senior Year.

As Seniors we have had responsibilities as well as privileges, and we are pleased that several of our classmates have won scholarships to various colleges and that many of our class members have shown indications of promising futures by their academic records.

Yes, our high school days are over, and the time has come for the Class of 1962 to enter the adult world. We leave our alma mater feeling deeply grateful to those who have helped during these high school years to prepare us for that world.
