

Class Prophecy

Jenny Cathcart is the Physics Professor at Cambridge College, where she and *Patsy Patrick*, the Chemistry Professor, have become closer associates. We also learned that *Claude Coleman* is president of the school.

Glenn Ragsdale has opened a dance studio in New York, where *Larry Mincey* teaches the "Twist."

Carolyn Freeman, *Joyce Gunter*, and *Vivian Perry* are the secretaries of *David Ferguson* and *James Bundrick's* Madras Thread Winding Company.

In our own home town, we learned that *Michaëlle Reynolds*, *Mary Sue Clowny*, and *Fay Sellers* are housewives of very successful businessmen.

Randy Perry and *Gloria Reynolds* are teaching at our own Alma Mater, while their husbands are working at the Manhattan Shirt Company. *Elmer Fuller* has become the head of the Agriculture Department at Winnsboro High.

Kenny McLendon has established a chain of stores, "McLendon's Open Air Market." Kenny has a way with food markets!

Terry Hegler and *David Albert* have brought the Procter's Shoe Store, and are now selling Burgandy weejuns. *Jack Mincey*, *Bill Johnson*, and *Thomas Mattox* are their most progressive salesmen.

Dora Banks and *Patsy Mathis* are married to two of Ridgeway's Town Councilmen.

Wayne Mixon, President of the Coca Cola Company, has introduced an uncarbonated coke for the United States Olympic relay team composed of *Jackie McGuirt*, *Ray Peake*, and *Sammy Allen*.

Sally Ramsey, *Pauline Lucas*, and *Jean Mattox* have chipped in together and bought the ocean liner, *Queen Mary*. They are going on a trip to the South Pole to get some aged ice for a party they are having. This party is in honor of *Libby Tanner*, who has broken the world's speed record for typing.

Harold Kinley, *Bobby Curlee*, and *Harold Keever* are managers of the Atonic Space Plant at Parr.

Haberdasher, *Nick Propst*, has taken time off from his work to go to Africa on a safari and shoot elephants with his new ray gun.

William Branham is now racing in the "Darlington 500". He has taken "Fireball Roberts" place.

Billy Clarkson and *Tom Sprott*, two great Trigonometry Professors at Yale, have written a book called "How to Have Fun in Trig Class." This book will be particularly helpful to all rising seniors planning to take Trig.

Jane Dinkins, *Faye Pearke*, and *Judy Faye Weed* have finally completed their flying saucer, "The Moon Pie", and are planning to go to the Moon. They are taking along *Amy Eargle*, famous language teacher, in case they might run into some Mooners there.

Archeologist, *Thurman Pullen* and his secretary *Norma Jean Hubbard*, have uncovered the Colossus of Rhodes and they are planning to put a reproduction of it in New York Harbor.

Glen Taylor has just swum the Atlantic Ocean breaking a new record. Next week, she plans to swim the Pacific. Good Luck, Glen!

Colonels *John Stewart* and *Tim Clark* have just returned from a trip to Cuba where they have set up a new form of government. We feel that this government will operate smoothly because *Annie Ruth Brown* and *Hermanette Raley* are assisting them.

Annette Dove, *Patsy Smith*, and *Ernestine Goldman* are editors of *McCalls Magazine*. They are remarkably successful which is particularly due to the fact that *Tina Jean Cathcart* is the style coordinator.

Jeannie Dove and *Carolyn Cathcart* now operate the Women's Shop, which covers two and one-half blocks in New York. Their best seller is Madras rain coats.

As always, all good things must come to an end. I must get back to my swimming and Tommy has a Trig exam to give tomorrow.
