

DEDICATION

In recognition of her untiring patience, whole-hearted cooperation, and unfailing interest throughout the years, we dedicate the 1968 HALCYON to one whom the student body and faculty love and admire. An essential part of Winnsboro High School, her smiling face stands out despite her many trying duties. The Senior Class would like to say "thank you" in this small way by dedicating the 1968 HALCYON to

Miss Johnnie Mae Cameron
