

All-State Band members: Dub Miller, Mike Dove, Rhonda Dove, and Janet Gladden.

The W.H.S. Band, under the superb direction of Mr. Joe D. Martin, has completed another successful year of serving its school and community.

Again this year the band has been quite busy. They attended summer band camp in preparation for the football season and their trip to Furman University. They presented half-time entertainment at all football games, attended the S.C. State Solos Ensembles. The band, in its effort to reach higher goals, held sight reading clinics under the direction of Mr. Pat Garnett. The results of these efforts were presented in their two concerts.

Through the band's activities and well-rounded program, W.H.S. has profited greatly.

Band Director: Mr. Joe Martin.
