

Maybe you'll win next year, Jack.

Happiness is being chosen MISS HALCYON.

Suspense mounted as the largest crowd ever to witness the MISS HALCYON contest awaited the final decision of the judges. The decision was certainly a difficult one to make considering the gracefulness and loveliness of the twenty contestants. The climax finally arrived with the crowning of Miss Martha Johnson as MISS HALCYON 1968. Martha is certainly very worthy of this honor. Not only is Martha a lovely young lady, but she is one of the most well-rounded students at WHS. She was chosen Best All-Round by her senior classmates and served as editor of the CONSOLIDATED COMMENTS this year. Winnsboro High School is very proud of its MISS HALCYON 1968.
