

DEDICATION

Under the direction of Coach Eddie Raines, the 1971-1972 basketball team captured its first conference title and then obtained the upper state championship. The recognition won by our championship basketball team was one of the greatest honors that Winnsboro High School received this year. This was made possible through the dedication and sincere interest of Coach Raines. With pride and admiration, we the members of the Halcyon Staff dedicate the 1972 edition of the Halcyon to Coach Eddie Raines.
