

DEDICATION

We, the Senior Members of the Halcyon Staff, wish to dedicate the 1973 HALCYON to Mrs. Mary Jim Gunter and Mrs. Mary B. Kirkland. These two teachers have contributed much to the success of our high school careers. Showing a sincere interest in each student, both of these devoted teachers were always on hand to help us with our smallest problems. Their smiling faces and genial wit served to brighten even the gloomiest days. We are truly indebted to Mrs. Gunter and Mrs. Kirkland for their contributions to Winnsboro High School.
