

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America strive to promote a growing appreciation of the joys and satisfactions of home-making, to encourage democracy in home and community life, to foster the development of creative leadership, and to provide wholesome recreation. Throughout the year, the F.H.A. engaged in many activities. The members enjoyed speakers, field trips, and volley ball matches. They also sponsored a project to provide trash cans for the Ridgeway Nursing Home.
