a cure for cancer.**

Dropouts become losers.
They lose.
And we lose.
Today's dropouts might have been tomorrow's
scientists. Or doctors. Or teachers.
But what might have been will never be.
For one out of three high school students
doesn't stick around to graduate.
The dropout is ten times as likely to become
a juvenile delinquent.
And the juvenile delinquent is perhaps
thousand times more likely to become
It doesn't have to happen.
Good schools with good teaching
facilities can produce good citizens
make our world a better place.
Which is why money should
