DEDICATION

We, the Senior Members of the Halcyon Staff, wish to dedicate the 1973 HALCYON to Mrs. Mary Jim Gunter and Mrs. Mary B. Kirkland. These two teachers have contributed much to the success of our high school careers. Showing a sincere interest in each student, both of these devoted teachers were always on hand to help us with our smallest problems. Their smiling faces and genial wit served to brighten even the gloomiest days. We are truly indebted to Mrs. Gunter and Mrs. Kirkland for their contributions to Winnsboro High School.

have found that their counseling has proved beneficial to many students throughout the years. Helping students make decisions and solve problems is a common practice which leaves them inwardly satisfied just knowing that they could help an individual in need. Their services to the student body range from helping a student decide what would best accommodate his personal desires and interests after graduation to giving a student a much needed paper clip.

ENGLISH

The English Department, as in past years, has been mainly concerned with the development of student character. The teachers of this department have done their utmost to expose students to material that will someday be beneficial in their social development. Through the use of records and films, the English teachers are better equipped to aid the student in his learning. One fundamental which most of these teachers stress is writing. Through writing, the student develops a more mature manner of expressing himself.

MATH

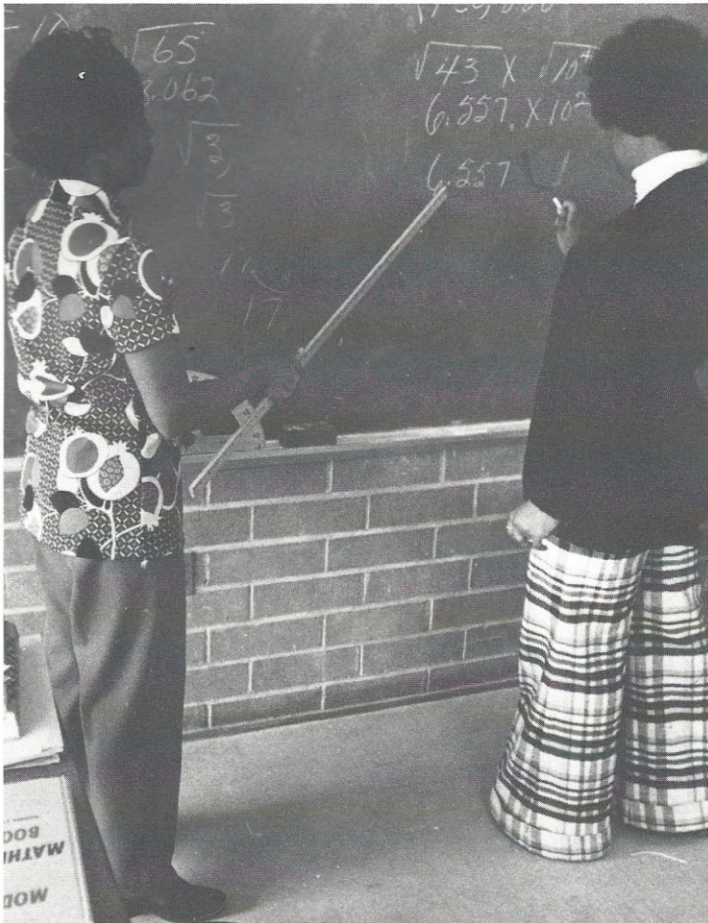

Through the use of games and other aids, the math teachers have made great progress in their teaching of Algebra, Geometry, and Math. These aids have helped Mrs. Gunter, Mrs. Ingram, Mrs. Coleman, and Mrs. Cunningham to promote the purpose of the Math Department-to prepare the students for their futures in college and business in the complex world of today.

SOCIAL STUDIES

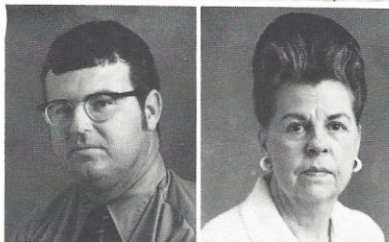

The Social Studies Department endeavors to present historical backgrounds and social problems in an interesting way. The teachers believe that exposure to foreign cultures is of great benefit to students, and through the study of the problems of modern society, students are better prepared as citizens of their nation.

VOCATIONAL

The Vocational Department at WHS works hard to fulfill its objective which is to prepare students for later life, whether they go into business, college, or homemaking. In Home Ec., students learn how to become conscientious homemakers, and students in the typing, bookkeeping, and shorthand classes learn skills which they can use in business or in college.

MUSIC

This year the Music Department was under the direction of Mr. John Holtzclaw. Through hard work on both his part and the band's part, the band won first, second, and third places in the Newberry, Great Falls, and Winnsboro Christmas Parades respectively. WHS thanks the band, who has not only brought recognition to the school but has also provided fine entertainment at the football games.

ART

The main objective of the Art Department is to instill a sense of self-expression and creativity in students. It is also a medium in which the more expressive student may make unlimited use of his ability. With Mr. Reed's guidance, each student is taught the basic fundamentals of art and is shown how to apply them to his own particular style.

LIBRARY AND STUDY HALL

Study hall is provided for students who wish to use school time for completing homework assignments or who wish to study for upcoming classes. Study hall is a very valuable part of WHS life.

The WHS library is provided for students who need to do research, check out much needed books for English, or read the daily paper. Miss Stultz and Mrs. Johns are always on hand to help students locate materials.

The purpose of Winnsboro High's French Department is to introduce the students to different cultural backgrounds. Mrs. Coleman spends much of her time and effort to prepare the students for their courses in foreign languages to come later in college.

Mrs. Martha B. Coleman

Top: Martha Meng dreams of speaking French in Paris.

PHYSICAL EDUCATION AND DRIVERS' EDUCATION

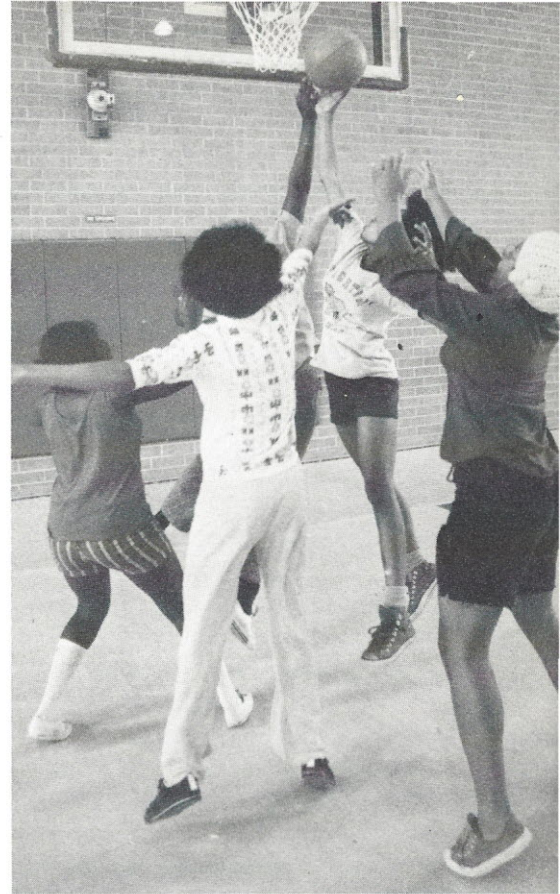

As physical education teachers, Mrs. Sweeney, Coach Raines, and Coach Catoe are always trying to build physically fit students. They spend much time with the basics — push-ups, sit-ups, side-straddle hops, and bending exercises — but they always save time for games such as volleyball and basketball.

Besides teaching gym, Coach Raines and Coach Catoe also use their teaching skills in another direction — drivers' education. In drivers' ed., students learn the principles of driving, and they also learn ways to care for their car. Everyone is indebted to these coaches for making our highways safer.

CAREER EDUCATION

Career Education is an interdisciplinary team approach consisting of a coordinated program which interrelates a skill training program with the academic areas. This approach provides students with various learning activities, and it also aids them in choosing a career.

The team of teachers who worked with the Career Program this year were Mrs. Kirkland, Mrs. Cannon, Mrs. Ingram, and Mrs. Ross. Mr. Robert Fickling and Mr. Earl Bonner were also involved in this program.

SPRING DANCE MARCH 31, 1973

The Spring Dance was the first of its kind at Winnsboro High School. It was truly a night to remember in the hearts and minds of many students. This gala affair gave students a delightful break from the routine of daily school duties. The many teachers who chaperoned also considered this "prelude to spring" quite a lively experience.

LIFE AT WHS

Next stop, Bull Street. Everybody off!

He might have been the man who discovered a cure for cancer.

Dropouts become losers.
They lose.
And we lose.
Today's dropouts might have been tomorrow's scientists. Or doctors. Or teachers.
But what might have been will never be.
For one out of three high school students doesn't stick around to graduate.
The dropout is ten times as likely to become a juvenile delinquent.
And the juvenile delinquent is perhaps a thousand times more likely to become a criminal.
It doesn't have to happen.
Good schools with good teachers and good facilities can produce good citizens.
Which is why money should be spent on education.

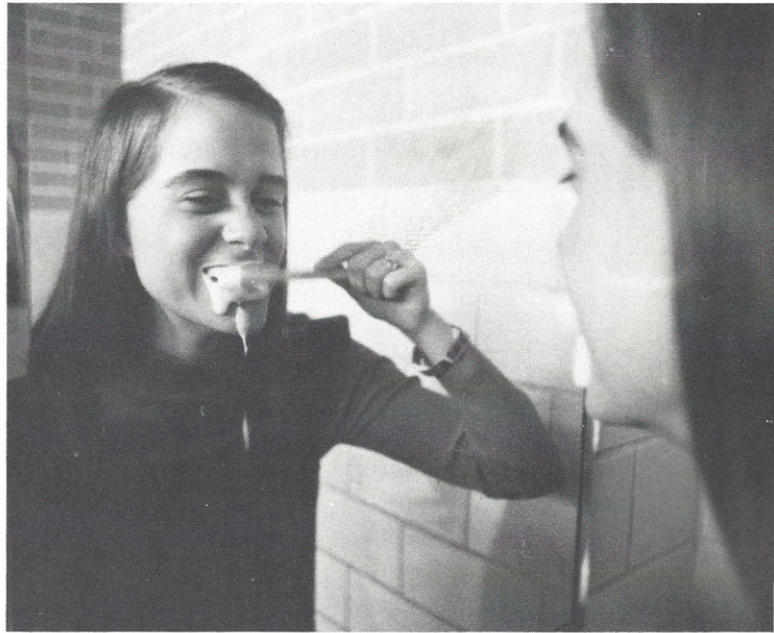

... Or he could have been the man who started it!

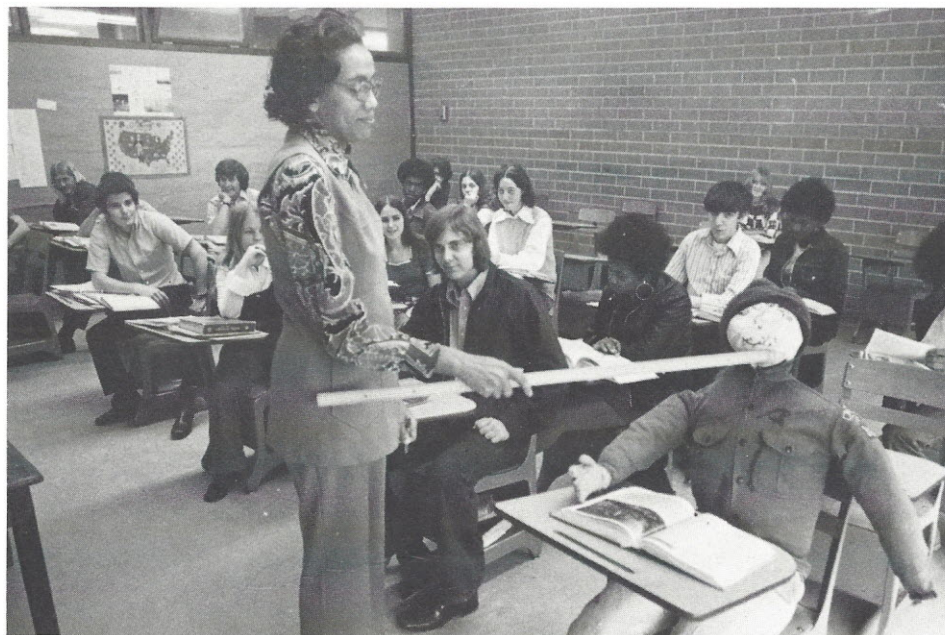

The WHS Zoo.

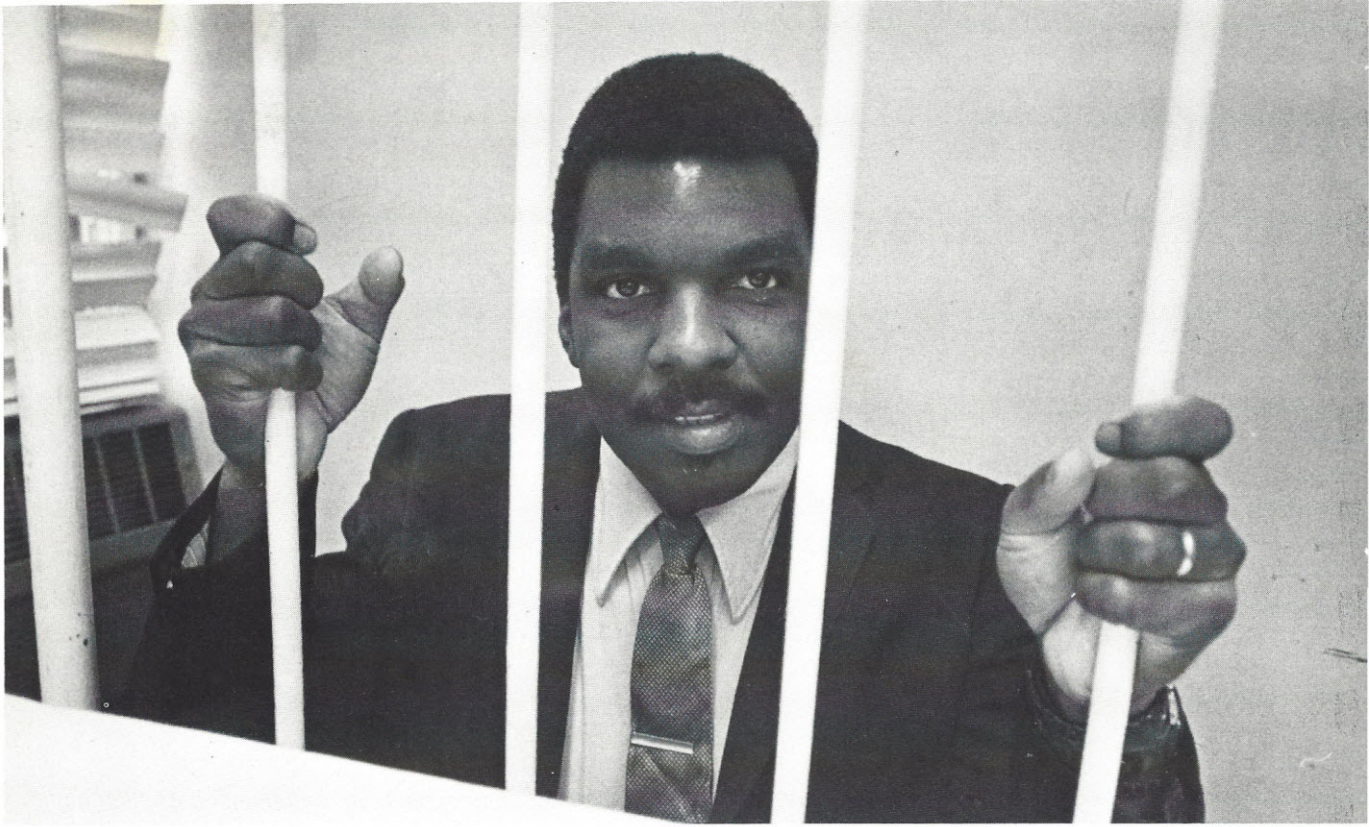

"I *did not* fall! I'm listening for stampeding earthworms."

"I left my Dentyne at home, so . . ."

Mrs. Brown, some of your students are real dummies!

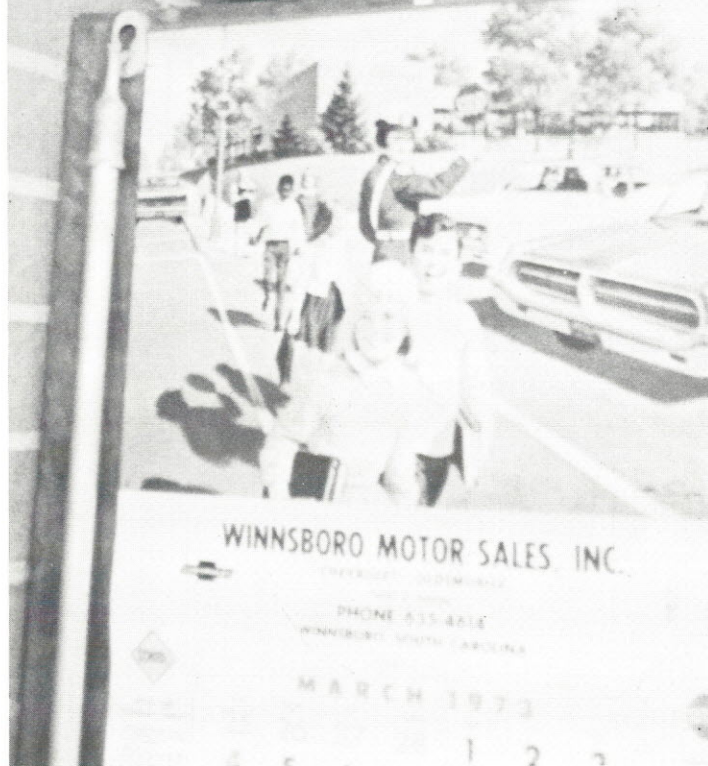

Now, Mr. Jackson, don't gimme none of dat "Blah, blah, blah, and sploo, splo, sploo!"

"OH, bother!"

"I'll have the usual, Charlie."

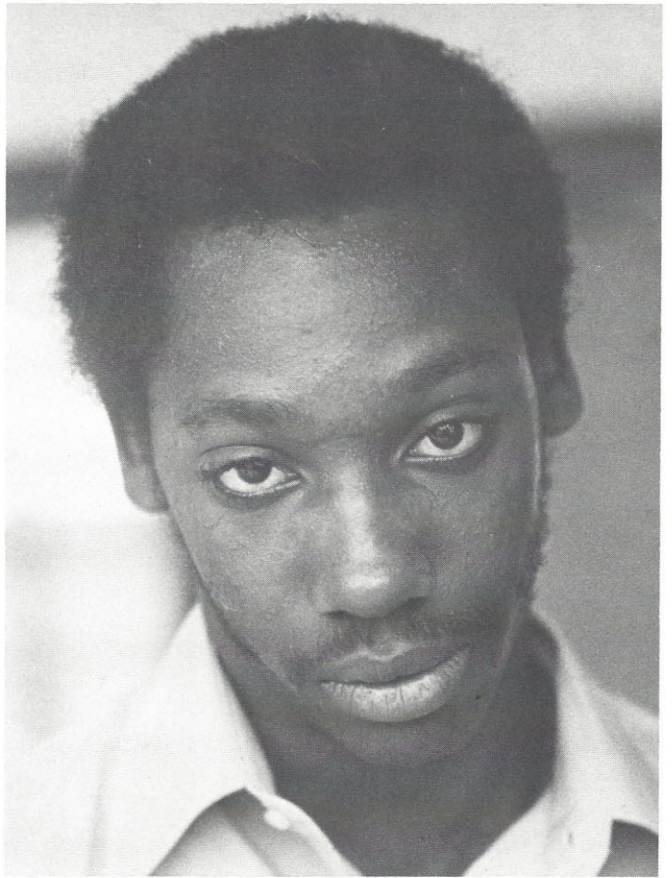

"Next time I'll choose the dark room for my punishment. I'm tired of holding up this blasted ceiling!"

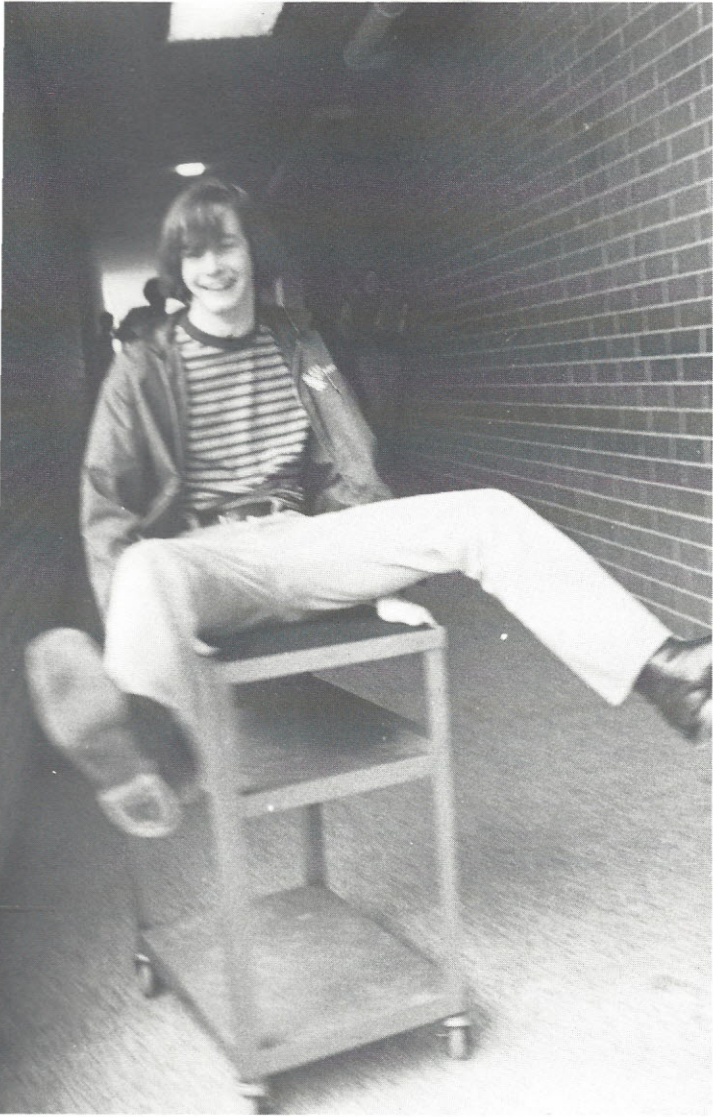

Happiness is being with the thing you love.

"Well, Rocky, I see that our lastest killing didn't make the front page."

"Turtle eggs and asparagus grits on Monday morning just don't make it."

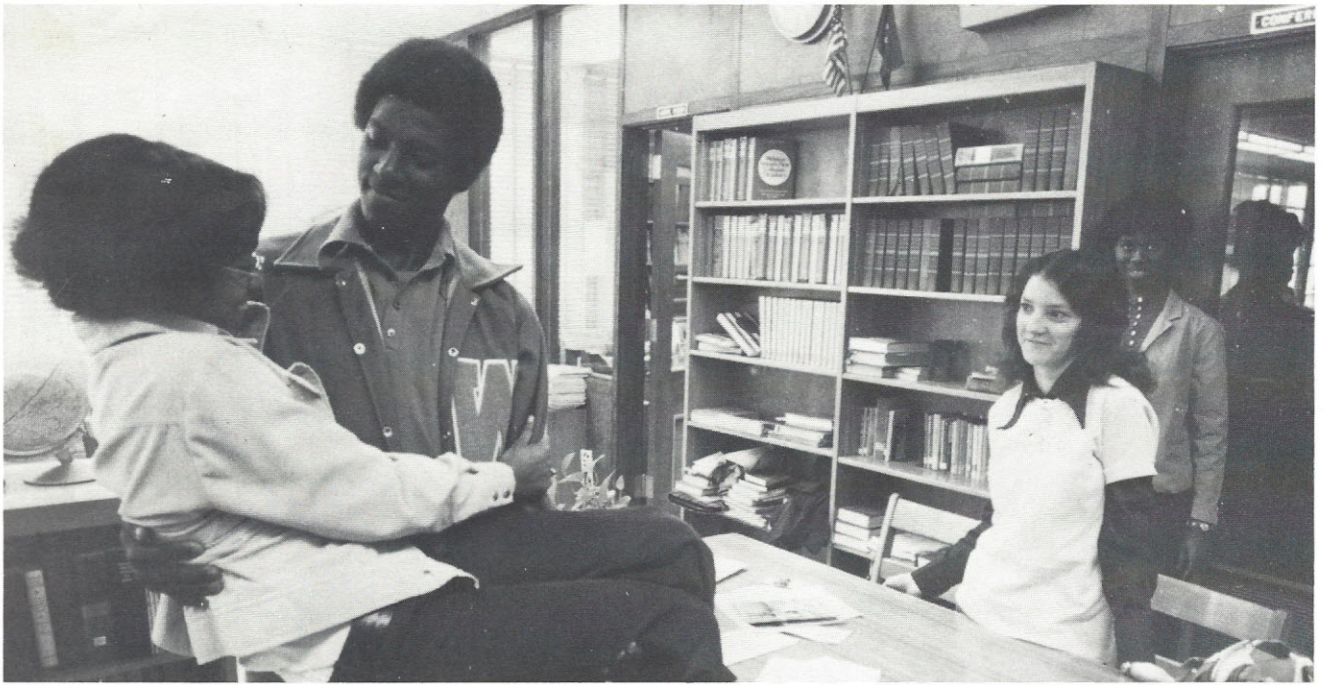

Rollin', Rollin', Rollin' on the book cart.

"Gee, I'm a tree!" (Geometry)

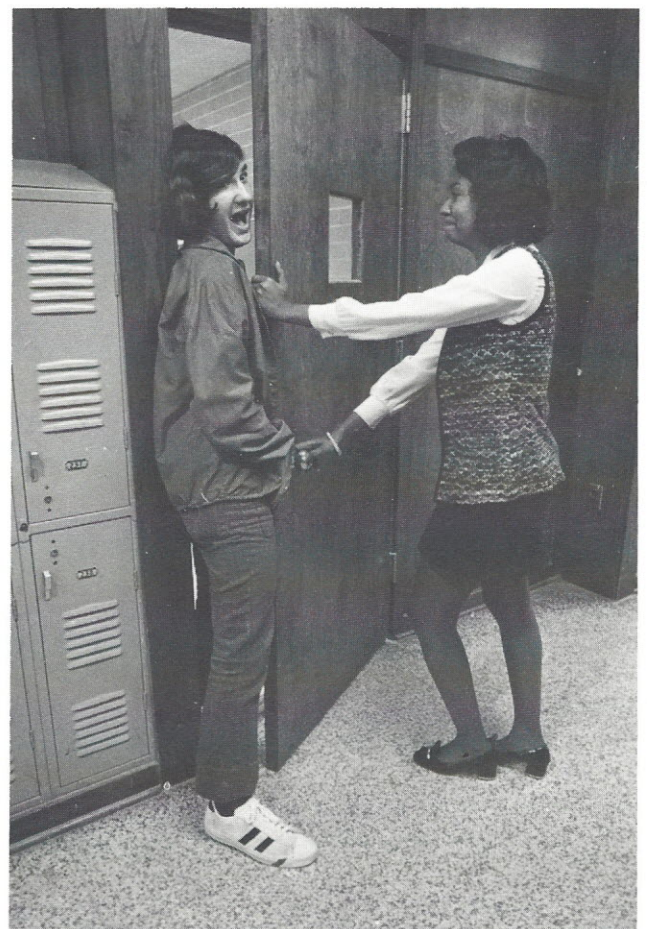

Through the lips, past the gums, look out stomach, here it comes!

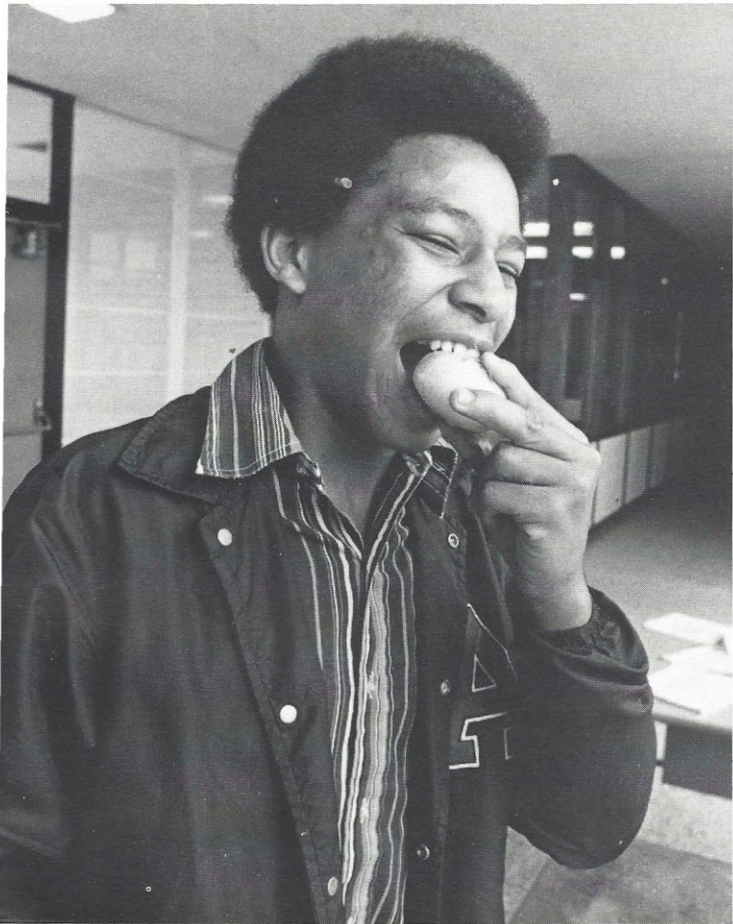

"I'd like to check this out on my library card."

"Bill, your trashy mind is becoming too obvious!"

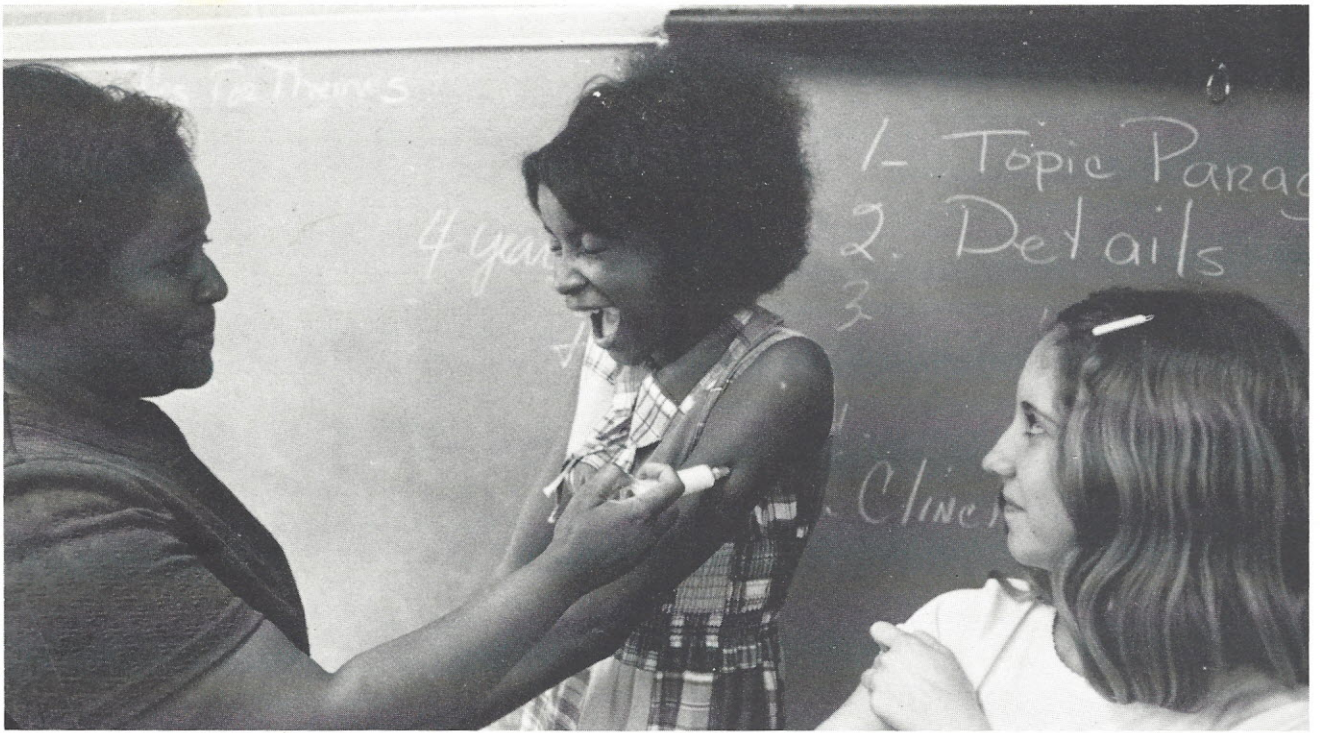

"You're getting better, Freddie. You're only half late today!"

It's crying time again.

"I'll tell them how great you are, Coach, if you'll just stop choking me!"

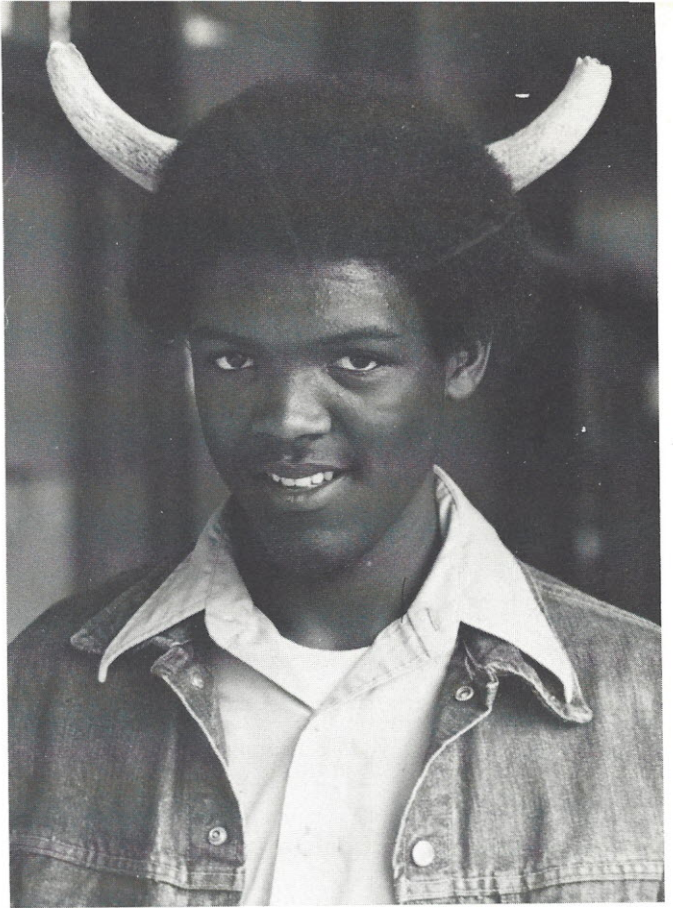

"Will this shot make me immune to gerunds or participles?"

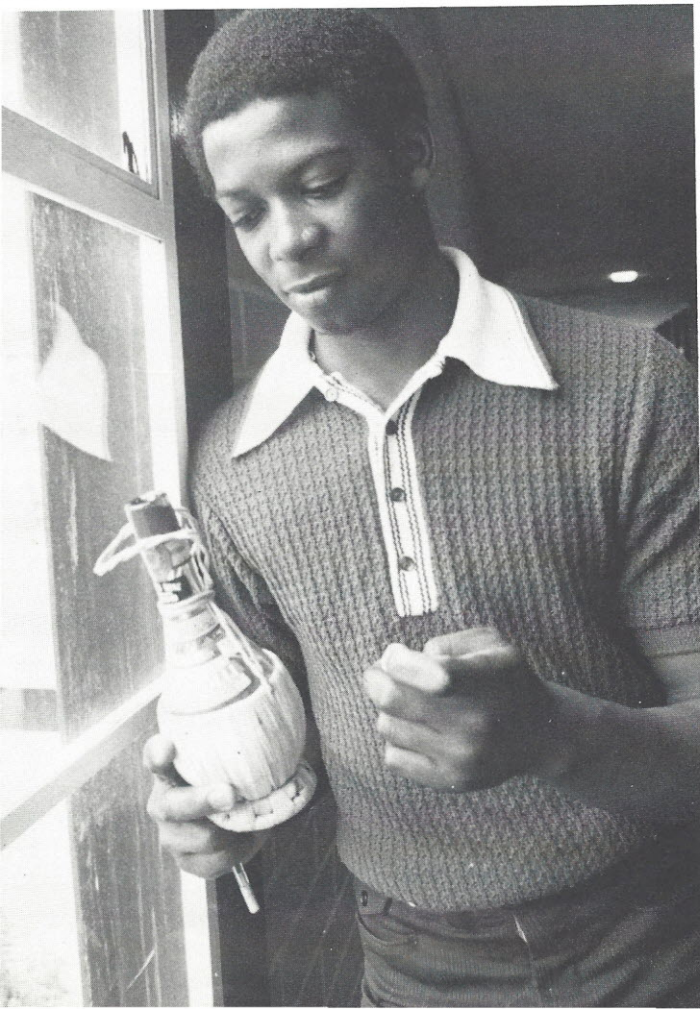

"I applied to get in here, but I flunked the entrance exam."

Rub-a-dub-dub, a girl in a BIRDBATH??

Now you know why it's so hot in here.

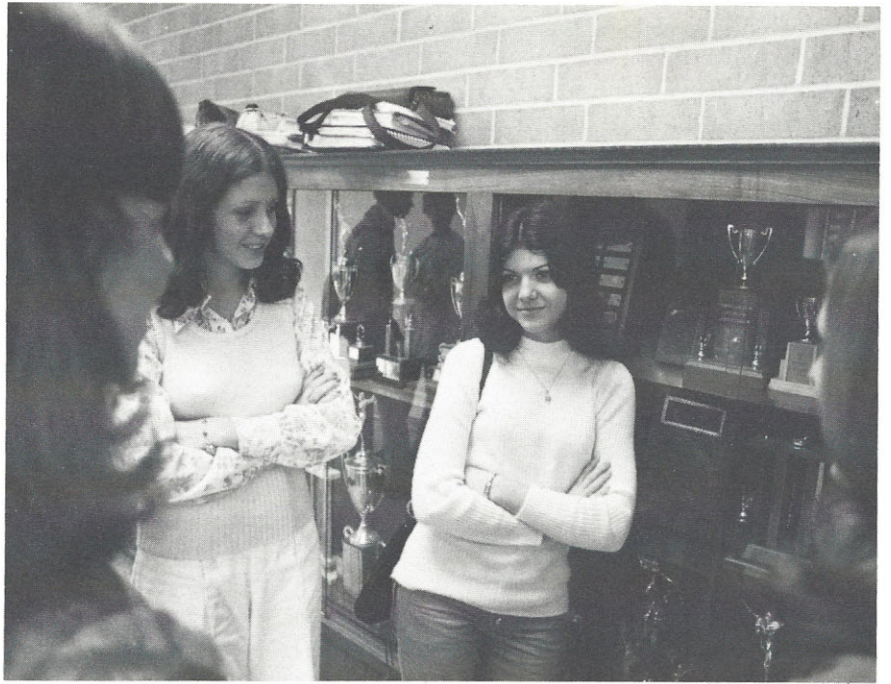

"I just joined the Boone's Farm for lunch bunch."

IN MEMORIAM
Janis Kay Humphries
1956-1972

1972-1973 . . .

This year brought us many memories. Some of them were happy, and some of them were sad; but all of these memories will remain a part of each of us forever. It is the hope of the 1973 Halcyon Staff that this edition of the HALCYON has been able to preserve some of the fondest memories of the 1972-1973 school year.

ALMA MATER

*Dear Winnsboro, oh how we love thy name;
May we forever strive to bring thee fame;
Scholarship, pride, and faith in God above,
Compose our standards, so we love.
Your fidelity still lingers in our hearts,
And from thy memories may we ne'er depart.
Dear Winnsboro, we love you, more than words
can say,
As we pledge our loyalty in this humble way;
With your standards we'll abide, and your
precepts too,
Through our lives, you'll be our guide,
Winnsboro, we love you, we love you,
Winnsboro.*
