

# DEDICATION

We, the Senior members of the Halcyon staff, dedicate the 1973-74 edition of the Halcyon to Mrs. Eleanor Milling and Mrs. Marie Ingram. These two women were responsible for adding much to the success of our high school years. Not only were they senior sponsors, but they were also friends, and always showed interest in all that we undertook. No problem was ever too small or too great for them to listen and help solve. We shall always be grateful to Mrs. Milling and Mrs. Ingram for their deep concern for our well-being both educationally and personally. Thank you Mrs. Milling and Mrs. Ingram.
