

SENIORS

INTRODUCING TO ALL YOU HAL- CYON FANS THE 1974-1975 W.H.S. SENIORS

SENIORS . . . the oldest at school . . . selling magazine subscriptions and candy to raise money to help manage class expenses . . . Being able to go to the Jr., Sr. Prom two consecutive years . . . Thinking about the future ahead; final exams, class day, graduation night, college, marriage, working. Trying to reach the goal that we have been struggling for, for twelve long years. Standing tall and straight because we've finally reached our destination. We are proud because each of us seniors knows what it was like to have been a W.H.S. WILDCAT, a true winner.
