

# HALCYON STAFF

The Halcyon Staff is one of the most dedicated organizations at Winnsboro High School. It has the outstanding task of producing a successful yearbook . . . one that contains memories of the 1974-75 school year. Student workers and advisors contribute to the careful and skillful planning that it takes to produce a good and exciting annual.

Working on the Halcyon Staff is a new and exciting experience. The members of the staff hope that this annual contains as many precious moments as possible.
