## *TEAM FACED TOUGH COMPETITION*

The year 1974 was a memorable, exciting, and challenging football season for the WHS team. They ventured out into a new gridiron competitive world --4-AAAA conference. WHS, formerly a member of 3-AAA conference, entered a new conference, but the competitive strategy and the game was the same. This was a season of games played under cloudy skies, falling rain, and muddy turf which all added to the Wildcats record, 2-1-8.
