

# W.H.S. MARCHING BAND

The Winnsboro High School Band has been involved in numerous events this year. Some of the events were the WHS football games, Miss Halcyon Contest, Open House at F. J. H. Christmas parades and various other school and community affairs. We are now looking forward to our annual Spring Concert.

The Band is an active group which entertains and performs from the day school opens until graduation in May. We would also like to make mention our majorettes, flag girls, and drum majorette, Doris Seibles. They have done an outstanding job and compliment the Band very much. We appreciate their hard work just as much as we appreciate each individual band member.

Mr. Mazyck, as Band Director, is of course responsible for the Bands success and the faculty and students appreciate his work.
