

# Mrs. B. Harmon, Cheerleader Sponsor

I have been a loyal Wildcat since my own high school days. As a graduate of Mount Zion Institute, I proudly hailed as a Wildcat. Those were very special days in my life, and I shall always remember cheering for the black and gold 'Cats.

When I came to teach at Winnsboro High School in 1962, I was happy to once again be in Wildcat territory. I have always been proud of this school, the students and the *Cats*. Through the years, I have enthusiastically followed the teams because I believe that a teacher needs to be involved with the total program of the school and because I truly love sports.

As I near retirement, I have many happy memories of my Wildcat days. Perhaps I was born a Wildcat; I know I shall die a Wildcat.
