

Memories Of The Primitive Wildcat

Fairfield High School "Thespian Club" 1960-1961

We, the remaining descendents of Winnsboro High, will always remember the Wildcats with a glow in our hearts. As the end of the last year of Winnsboro High draws near we tend to reflect on past Wildcats. These pictures are of our friends during their glory days when the wrath of the Wildcat was just beginning. To the Wildcats, present and past, we salute.
