## History

Winnsboro High School opened in the Fall of 1960 after a decision by the Fairfield County School Board to consolidate four of the county high schools. Located on U.S. 321 By-Pass, Winnsboro High is a three building complex that is the educational center for approximately 800 students. The school is 24 miles from Columbia, S.C., the State Capital.

WHS houses grades 10-12 and offers a diverse curriculum designed to meet the needs of its students. Many graduates enroll in colleges and universities in South Carolina and surrounding states. Others choose to attend Technical Centers. Many students who have attended the county Vocational School are able to secure positions in their specialties.

Winnsboro High offers a total of 20 required courses and 58 electives. These courses are taught on basic, general, or academic levels.
