Faith of Our Fathers

1. Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
When we hear that glorious word:
Faith of our fathers, holy faith,
We will be true to thee till death.
2. Faith of our fathers, faith and prayer
Have kept our country brave and true
And through the truth that comes from God
Her children have true liberty:
Faith of our fathers, holy faith,
We will be true to thee till death.
3. Faith of our fathers, we will love,
Both friend and foe in all our strife,
And preach thee too as love knows how
By kindly words and virtuous life:
Faith of our fathers, holy faith,
We will be true to thee till death.

O God Our Help In Ages Past

1. O God our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast
And our eternal home
2. Under the shadow of thy throne
Thy saints have dwelt secure
Sufficient is thy arm alone
And our defense is sure
