Mr. Guy C. Killian,
Gastonia, N. C.

Dear Mr. Killian:

There has been a great deal in the papers about the new Missile man in Washington, James R. Killian, Jr.

I have a history of the Killian family which was prepared by my uncle, J. Yates Killian, who is now dead. In looking through this history, I am unable to find how this gentleman in Washington is related to us. One of the reports in the newspaper stated that his father lived in Newton at one time, where he was superintendent of a textile mill.

I would be glad to hear from you at your convenience, as I am sure you can give me this information. Thanking you in advance and with kind regards, I am,

Yours very truly,

Killian Barwick
