Mr. Guy C. Killian
416 South Broad Street
Gastonia, North Carolina

Dear Guy:

Thanks for sending me copy of your letter to Dr. Killian inviting him to attend the reunion scheduled for September 13.

I have talked with Dr. Killian about the Killian Klan meetings and he has expressed a desire to attend one of the reunions. Whether he will be able to do so this year will of course depend upon his own schedule. I hope he may find it possible to accept your invitation and I would be glad to urge him to do so.

As you know, Dr. Killian has felt it necessary to leave the government service and return to private life. I note you sent the invitation to him at the Executive Office of the President and if he has already left Washington the invitation will of course be forwarded to him. He was here last night attending a dinner at the White House.

I am hoping to attend the reunion this year and look forward to seeing you at that time.

Sincerely yours,

CHARLES RAPER JONAS
