Dear Mr. Killian,

I am enclosing a check for \$2.25 for payment of two Killian Histories. Mrs. Frank A. Killian had two extra copies which we sent to a Mrs. Hassell in St. Petersburg, Florida. This is the third copy she has asked me to send in the past 6 months. She says she has some interesting facts for the Killian record and she hopes she can meet with our reunion when it is held sometime. She is most interested now in finding history for the Bradshaw family.

Please deposit this money with the Killian Clan money. We have already mailed Mrs. Hassell the 2 copies of the history.

How are you and Mrs. Killian? We have missed seeing you at the Reunion the past 2 years. Since our 2 children are teen agers they have so many places to go, and since I'm at the office 5 days

a week, we all stay rather busy.
When you are up our way stop by
to see us. Grandmother Whitener always
enjoys your visits so much when you
can go out to see her there in Gastonia.

Sincerely,

Mildred C. Whitener
