Dear Mrs. Whitener,

I have just started collecting Genealogy along our Killian line. Through this I visited at the home of Mrs. Melva Lyons of Firth, Idaho. She has a copy of the book, "The History of the Killian Family in North Caroline". She gave me your address in hopes you may still have a copy of this book I could get.

I would sincerely appreciate your efforts in my behalf.

Sincerely,

*Mrs. Duane Killian*

Mr. Killian,

Do you still have some "Killian Histories"? If so, please mail one to this Mrs. Duane Killian.

She did not send money, only the enclosed envelope addressed to her return address.

Hope you & Mrs. Killian are well.  
I will appreciate your sending this for me.  
Sincerely - *Medred C. Whitener*

Dear Mrs Killian:

Mrs P.W. Whitener of Lincolnton N.C. forwarded me your letter asking for one of the Killian history books.

I am mailing it today under seperate cover, The charge of same including mailing \$1.18 which you may send me.

You will note most of pioneer Andreas Killian children are mentioned in it and some of the generations following, I am a descendant of John the second son and Mrs Whitener also.

Cousin Yates Killian of Newton N.C. had an enormous data of information which he was trying to compile before his death, It was all destroyed however, and we have never compleated another book with the other descendants.

When you have compleated your geneology we would appreciate a copy of it-- Our Klan meets the second Sunday in each year and we would be most happy to have any of your family attend. With kindest regards, I remain.

Sincerely yours

Guy C. Killian
