

MRS. C. H. KILLIAN  
110 ORENDA DRIVE  
ROCHESTER 22, NEW YORK

January 5, 1963

I'm sorry I did such a poor job of checking. After I mailed my letter to you yesterday, I discovered some errors in the list. So I retyped it last night. Please destroy the one I sent yesterday and use this one to put with your records.

Every few years my son George makes an up-to-date list of the descendants of James W. and Mary Killian, Cletus's parents, and sends a copy to each of his cousins (and his brother and sister) -- the parents of the new generation. Last time (1960) he placed at the top the line of descent from Andreas Killian. I am also enclosing a copy of this for you. You will note that at the end he also includes the names of Cletus's other brothers and sisters who left no descendants. Bernice was a nun, in India and in Merrill Wisconsin, Weldon was a senior in high school when he died; the other three died in infancy or childhood.
